1 There were two laptops collected from inside the residence; one was located in the family room and  
 2 one from the home office/bedroom. Also in the home office/bedroom a large safe was located.  
 3 After officers opened the safe items of evidence were located to include; a Lexar 512 MB USB drive,  
 4 a Iimation 1.44 MB Floppy Disk, and a Kodak Secure Digital (SD) 64 MB card. A Nintendo Game  
 5 Cube was also collected as evidence from the living room of the residence. All of the items seized  
 6 were inventoried and a copy was left at the residence.  
 7  
 8 While at the residence I was able to forensically preview some of the digital evidence. Using the  
 9 Forensic software program Encase, Ver. 5.05f, I started a new case identified by the name  
 10 Hayward.  
 11  
 12 The desktop computer was identified by property number as #B on Hayward Report # 07-07894,  
 13 and is further identified as a ASUS Desktop computer with serial number [REDACTED]. This computer was  
 14 found to have one Western Digital hard drive, model WD800 with serial # [REDACTED]. The  
 15 hard drive was removed from the computer for analysis.  
 16  
 17 Using the Forensic software program Encase, Ver. 5.05f, I started a new case identified by report  
 18 #Hayward. The Western Digital hard drive with serial # [REDACTED] was connected by fire wire  
 19 to a Digital Intelligence firefly write protection device. The files from the hard drive were accessed  
 20 through the Encase Program and added to the case for analysis. (This hard drive was later

1 After the evidence was added to the case, I used the gallery view and looked for possible digital images of known victims and child pornography images. I located images that appeared to be of teenage boys and other images that depicted the suspect and other male adults in sexual acts.

2

3

4

5 Using the M2CFG USB "write block" program, I write protected any USB device connected to my forensic laptop computer. I connected the Lexar USB 512 MB jump drive to the USB port on my computer and accessed the files through the Encase program. On this digital storage device, I viewed images that depicted the suspect and other male adults in sexual acts.

6

7

8

9

10 With the "write block" protection still active, I connected a media card reader to the USB port on my computer and inserted the Kodak 64 MB SD card. The files on the card were now accessed through the Encase program. On this digital storage device, I viewed images that depicted the suspect and other male adults in sexual acts.

13

14

15 The images observed at the scene while previewing the digital evidence on the desktop computer, the Lexar USB disk, and the Kodak SD card were copied onto a compact disk and given to Hayward Police Detective A. Eden's.

16

17

18 All of the digital evidence items were seized under the search warrant. The computers and computer game consoles were transported to the Sacramento Valley Hi-Tech Crimes Task Force for further analysis. The Lexar USB disk and the Kodak SD card were given to Hayward Police Detective A. Eden's for his evidence. All of the items collected were inventoried and a copy was left at the residence.

3 complete a forensic examination of the digital evidence. I was assigned Evidence Item # B,  
4 identified as an ASUS desktop computer with serial number # [REDACTED]

5  
6 I started a forensic examination of the computer evidence collected. Evidence Item #B was found to

21 After all of the searches were completed, I analyzed the data and recovered some related information. This information was separated into bookmarked folders in the Encase program. The  
 22 folders included; AOL Buddies, Chat Archives, and other related information. Additionally I carved  
 23 the data located and exported it to folders under the case folder directory, in (HTML) Hyper Text  
 24 Markup Language format. In HTML, you are able to see the file in their original format. These files  
 25 were copied to a CD identified as VR-1, under the directory Exported Files.

27

28 Using the Forensic Program FTK by Access Data Corporation, I examined the duplicated Western  
 29 Digital hard drive with serial # [REDACTED] The FTK forensic program is a more efficient  
 30 program on viewing Internet communication. By examining the evidence through FTK, I located  
 31 several additional files. I discovered that the suspect was communicating with several males  
 32 through online communication. Several of these communications discussed the exchange of money  
 3 for possible sexual services.

1 In my investigation using the two computer examination programs Encase and FTK, I found  
 2 thousands of digital images. Many of these image files were related to software, program files, or  
 3 Internet history. While searching through the thousands of images files, I located several images of  
 4 possible child pornography, that depicted children engaged in sexually explicit conduct within the  
 5 meaning of California Statute 311.4(d), as defined in the California Penal Code.

6

7 The Encase report on Evidence Item # B, identified as an ASUS Desktop computer with serial  
 8 number [REDACTED] was exported to a file named Encase Report. In the Encase report; I included the  
 9 name of the file, the last accessed date, the creation date, and the physical location of the file on the  
 10 hard drive. This evidence was copied to a compact disc as evidence item VR-1.

11

12 Additionally, the report generated under the FTK program, was copied to the CD identified as VR-1.  
 13 In this report, I made several directories under the Index to include; emails, emails regarding  
 14 possible 647(b), suspect info, possible child pornography, and unknown subjects.

15

16 The files on the CD identified as VR-1 are listed under the separate directories; Case Info, FTK  
 17 Forensic Report, Exported Files, Kodak Memory Card, and USB Drive.

18

19 In summary, the computer seized from Cristofani, Jeff under a Search Warrant was found to contain  
 20 substantial history of searching through Craigslist ads, and other Internet web locations to meet men  
 21 who were advertising the services. Additionally, information was located regarding meeting some of  
 22 these men for the exchange of money for services. There were also several possible child  
 23 pornography images located by searching through the digital images. These images depicted  
 24 children engaged in sexually explicit conduct within the meaning of California Statute 311.4(d), as  
 2 defined in the California Penal Code.

I      **SUMMARY:** (S) Jeffrey Cristofani attempted to cash a fraudulent check at the Wells Fargo bank in  
2      Tracy.

4      **NARRATIVE:** On 082106, about 1112 hours, I was dispatched to the Wells Fargo bank at 1900 W.  
5      11<sup>th</sup> Street in Tracy. Dispatch informed me there was a white male inside the bank attempting to cash a  
6      fake check. Dispatch told me the man was still at the checking counter.

7      Upon arrival I contacted (S) Cristofani at the front checking counter of the bank. (S) Cristofani  
8      informed me he was a Hayward Police Officer, and showed me his employee ID card. I asked (S)  
9      Cristofani where he had received the check from, and he told me he had received the check from a man  
10     who owed him money. He said the man's name was (I) [REDACTED] and said (I) [REDACTED] may go by a  
11     different name.

12     (S) Cristofani said (I) [REDACTED] told him he wanted to pay (S) Cristofani back for the money (S) Cristofani  
13     had loaned (I) [REDACTED] in the past. (S) Cristofani said he met (I) [REDACTED] in Hayward and (I) [REDACTED] handed  
14     him a check. (S) Cristofani said (I) [REDACTED] told him he had gotten the check from his employer from a  
15     rebate on a keyboard. (S) Cristofani said (I) [REDACTED] has been arrested in Alameda county and other  
16     places. (See written statement attached by (S) Cristofani).

17     I contacted (W) [REDACTED] behind the counter at Wells Fargo bank. (W) [REDACTED] said she realized  
18     the check was fraudulent right when she saw it. She told me the check did not have the markings a real  
19     check should have and that a real check of that kind would not be made out to cash. (W) [REDACTED] said  
20     she immediately contacted [REDACTED] and spoke to an associate. The associate who (W)  
21     [REDACTED] spoke with said the color of the check and the fact that it was made out to cash confirmed it  
22     was fake. (W) [REDACTED] said the company was positive the check was a fraud.

23     I contacted (I) [REDACTED] at the Police Station via telephone regarding the case. (I) [REDACTED] said he was given  
24     the check by (S) [REDACTED]. He said (S) [REDACTED] was the former owner of the company and gave (I)  
25     [REDACTED] the check for payment of two new tires on (S) [REDACTED] vehicle. (I) [REDACTED] said he did not know  
26     the check was fraudulent. (I) [REDACTED] said he gave the check to (S) Cristofani to pay him back for money  
27     (S) Cristofani loaned to (I) [REDACTED] for a rent payment. (I) [REDACTED] said he believed (S) [REDACTED] was  
28     making fraudulent checks using the company's account number.

29     I contacted (V) [REDACTED] via telephone regarding the case. (V) [REDACTED] said she believed (S)  
30     [REDACTED] was making bad checks and use the money. She said (S) [REDACTED] is her ex-husband and has  
31     stolen checks in the past to use the company account. She said (S) [REDACTED] has been using  
32     Methamphetamines and is always around questionable people. (V) [REDACTED] said he is always around a  
33     man [REDACTED] who had stolen (S) [REDACTED] car and wanted money to get the vehicle back.

34     After contacting (S) [REDACTED] I learned that [REDACTED] is (I) [REDACTED] (S) [REDACTED] said he had found  
35     (I) [REDACTED] making the bad checks on his computer so (S) [REDACTED] said he destroyed the computer. (S)  
36     [REDACTED] said (I) [REDACTED] had his car and would not give the vehicle back. (S) [REDACTED] said (I) [REDACTED] is the  
37     one making the fraudulent checks and making payments with them.

## **SUPPLEMENTAL REPORT**

## SUMMARY:

I conducted further investigation in this case, including a telephone interview of Jeff Cristofani and

## **NARRATIVE:**

On 09/13/06 I returned a phone message I received from one of the suspects in this case, Jeff Cristofani. He wanted to know the status of this case, and I told him I had not started to look into it yet. He provided me with a statement, which is summarized below.

Cristofani explained that [REDACTED] was someone he met "on the street" while working patrol, and the he "threw money at him" for information. I suggested he was using [REDACTED] as an "informal confidential informant" and Cristofani agreed with that assessment. [REDACTED] supposedly owed him approximately \$200 and he was going to give him back the remaining \$197. I asked Cristofani how long it had been since he last spoke with [REDACTED] and he estimated it had been one to one and a half years. I asked him why [REDACTED] would owe him money if the money he was giving him was for information, and Cristofani explained he also loaned him money for "survival". He explained [REDACTED] would usually call him to arrange a meeting, and in this case, he agreed to meet him at Chabot College. Cristofani acknowledged he had known [REDACTED] for approximately eight years. I pointed out how odd it was that a business had issued a check for a refund made out to "cash" and how that should have been a red flag. Cristofani conceded he should have known better. He has never heard the name [REDACTED], and that the bank teller never mentioned anything about the check being counterfeit. I asked him if he knew how to contact [REDACTED] and he told me he had his cell phone number and that he would call me with it. Note: The next day I received a call from Cristofani and he gave me [REDACTED] as a contact number for [REDACTED]

On 09/19/06 I left a message for [REDACTED] at the number given to me by Cristofani. On 09/20/06 I received a return call from [REDACTED] who identified himself as [REDACTED]. The following is a summary of [REDACTED] verbal statement.

purchased a musical keyboard from [REDACTED] but found the keyboard was defective. Note: [REDACTED] and his ex-wife, [REDACTED] owned a piano store in Sacramento that was awarded to [REDACTED] in the divorce. [REDACTED] reimbursed [REDACTED] for the defective keyboard with a check bearing the piano store's name. [REDACTED] lost his identification in Sacramento approximately two months ago, but he did not file a police report. He met Cristofani approximately five years ago when Cristofani arrested him for possession of marijuana. Instead of taking him to jail, he took [REDACTED] home and made him tell his disabled mother why he had been arrested. Cristofani knows his mother's sister, [REDACTED] who was a dispatcher at the same police department. [REDACTED] used to act as a confidential informant for Cristofani, who used to pay him for information. Cristofani also provided [REDACTED] with financial assistance for living expenses such as his cell phone and rent. [REDACTED] had not spoken with Cristofani for approximately six months, but when he received the check from [REDACTED] he thought he would repay the \$260 he owed Cristofani. [REDACTED] called Cristofani and they met in the Chabot College parking lot. There was no discussion about how the difference between the amount of the check and the amount owed to Cristofani would be handled. [REDACTED] knew [REDACTED] was making checks and was having people cash them for him so he could buy "dope". [REDACTED] is not currently employed, but he is supported by his mother who gives him \$1000 per month. He "hoped" the check

1 was good and admitted there was some doubt about the validity of the check he was given by [REDACTED].  
2 Cristofani called [REDACTED] immediately following the incident at the bank and sounded "irritated".  
3 The check was made out to "cash" because [REDACTED] had lost his identification.  
4

5 I have also spoken with [REDACTED] who gave me some background information about her  
6 situation. She explained her ex-husband, [REDACTED], has a serious methamphetamine problem and has been  
7 [REDACTED]. She continues to have problems with him counterfeiting checks in her  
8 business's name. She could not give me any additional information regarding this specific incident,  
9 but said there is a lot of illegal activity going on inside the Sacramento home.

11 **CASE STATUS:**

12 Closed. Please forward this case to the District Attorney for review and/or prosecution regarding a  
13 violation of 476 PC.

**NARRATIVE:**

On December 28<sup>th</sup>, 2006, while on-duty as a Hayward Police Department Sergeant and assigned to the Community Policing Division, I met with both (W) [REDACTED] and (W) [REDACTED]. Community Policing Division Commander Palermini asked that I meet and interview both witnesses regarding statements that they had made about Hayward Police Officer Jeff Cristofani being involved in a sexual relationship with an underage minor.

I met with both [REDACTED] and [REDACTED] who informed me that they are in a relationship together and have been for many years. Both witnesses stated that they have lived at the same address for several years and that (W) [REDACTED] and her son, the victim, used to live next door to them several years ago.

Both [REDACTED] and [REDACTED] related that they still have regular contact with both (W) [REDACTED] and the victim even though (W) [REDACTED] has moved a few blocks away and the victim now resides in [REDACTED], California.

Both [REDACTED] and [REDACTED] told me that they have now decided to come forward with information that the victim had provided them over the last several years regarding his relationship with (S) Jeff Cristofani. Both [REDACTED] and [REDACTED] told me that the victim has told them several times in the past that when he was 16 years old he was arrested by (S) Jeff Cristofani while he was on-duty as a Hayward Police Officer and that shortly afterwards they began to have sexual relations. I asked both [REDACTED] and [REDACTED] specifically if the victim had ever told them what type of sex he had with (S) Cristofani and what his age was when these sex acts occurred. Both [REDACTED] and [REDACTED] stated that the victim told them on more than one occasion that he had had both oral sex and anal sex with (S) Cristofani and that he was 16 or 17 years old when it began.

Both [REDACTED] and [REDACTED] told me that they both met (S) Cristofani through the victim when the victim was approximately 17 years old. They stated that (S) Cristofani would frequently visit the victim at his residence. Both [REDACTED] and [REDACTED] told me that through the years after the victim turned 18 years old, both the victim and (S) Cristofani would frequently arrive together and visit with them at their residence.

(W) [REDACTED] told me that approximately 8 or 9 years ago when the victim was approximately 17-18 years old, (W) [REDACTED] was with the victim in the parking lot behind "Arnies Time Out" located at 29308 Mission Blvd. (W) [REDACTED] stated that he saw (S) Cristofani also in the parking lot seated alone in the driver's seat of a marked Hayward Police vehicle. (W) [REDACTED] stated that the victim met with (S) Cristofani. After a short period, (W) [REDACTED] stated that he walked over to where they were at to see how much longer the victim was going to be. (W) [REDACTED] told me that when he got near their vehicles, he saw the victim performing oral copulation on (S) Cristofani.

Both witnesses provided me with an address in [REDACTED] of a [REDACTED] where the victim is now residing [REDACTED]

On March 26<sup>th</sup>, 2007, Inspector Luevano, Detective Edens and I met with the victim at his current residence in [REDACTED]. The interview was tape recorded by Inspector Luevano. I explained to the victim that I wanted to speak with him regarding his relationship with (S) Officer J. Cristofani. The victim immediately told me that (S) Cristofani had told him in the past that if he said anything, (S) Cristofani would come after him. The victim appeared genuinely frightened that if he told the truth (S) Cristofani, would harm him. I explained to the victim that I needed to know the truth and that it was our intention that we would not let (S) Cristofani cause him any harm. The victim then agreed to cooperate and insured me that he would only tell me what he could remember and what he knew was factual. The victim was shown a photograph of Hayward Police Department photograph of (S) Cristofani and positively identified him as the person he knows as Officer Jeff Cristofani.

The victim stated that he first met (S) Cristofani when (S) Cristofani pulled him over in his police car while he was driving his mother's station wagon near Treeview school. The victim stated that he had marijuana on his person so (S) Cristofani took him home to his mother's apartment on [REDACTED] and released him to his mother. The victim stated that (S) Cristofani pulled him over again a few weeks later while he was on-duty and again let him go w/o a citation or arrest.

The victim related that approximately a month later, (S) Cristofani found him on an internet chat room. The victim stated that he had told (S) Cristofani that his aunt [REDACTED] was a [REDACTED] Police Dispatcher and while on-line in a gay chat room, he started speaking with another person about police officers. The victim stated that the other person in the chat room told him that he was a police officer but would not tell him what city he worked in. The victim related that the other person wanted to "hook up" and they agreed to meet on a certain day at his apartment on [REDACTED] in [REDACTED]. The victim stated that (S) Cristofani arrived at his apartment on the day in question and was driving his police vehicle and was in uniform. The victim stated that this was the first time he realized that the person he was speaking with on-line was the same Hayward Police officer who had detained him twice. The victim stated that when (S) Cristofani entered his apartment, he performed oral sex on (S) Cristofani and (S) Cristofani inserted his penis into the victim's anus. The victim also stated that (S) Cristofani watched him as he "snorted" a line of methamphetamine and (S) Cristofani also allowed him to play with his firearm.

I asked the victim how old he was when this incident occurred and the victim stated that he believes that he was only 17 years old because he did not have a vehicle. The victim stated that he lived with his mother at the [REDACTED] when he was 16 years old but shortly before turning 17 years old, they moved to the apartment on [REDACTED]. The victim stated that shortly afterwards his mother moved out of the apartment and left him on his own because he was using drugs. The victim stated that he did not have a car when he was 17 years old so this is why he could not meet (S) Cristofani some place else and (S) Cristofani had to come over to his apartment. The victim stated that he specifically remembers that he did not get his own car until after he was 18 years old.

The victim told me that there was another time he specifically remembers that he was 17 years old when he engaged in a sexual act with (S) Cristofani. The victim stated that (S) Cristofani called him and wanted him to meet him on Whipple Road. The victim stated that he knows he was only 17 years old at the time because he remembers that he had to borrow his mother's station wagon to meet (S) Cristofani. The victim stated that when he arrived, (S) Cristofani was again in his police vehicle and in uniform. The victim stated that (S) Cristofani instructed him to follow him behind some warehouses where they both parked. The victim stated that (S) Cristofani had his police canine "Dingo" with him at the time. The victim related that it was dark outside and they both got out of their vehicles and he again orally copulated (S) Cristofani while he stood against the warehouse building. The victim described in detail the location where this occurred and would later drive with us to this location which we identified as 1001 Whipple Road, Hayward.

The victim stated that over the next 7 to 8 years he met with (S) Cristofani numerous times where they engaged in sexual acts. The victim stated that most of the time (S) Cristofani was on-duty but there were a few times when he was off-duty. The victim related that he was over 18 years old at this time and could only remember specifically the two described incidents when he was under 18 years old and they engaged in sexual acts.

The victim stated that after he was 18 years old, he took another juvenile male who he believed was 16 or 17 years old at the time to (S) Cristofani's home in [REDACTED], Ca. The victim identified this person as [REDACTED] and believes his last name was similar to [REDACTED].

[REDACTED] The victim related that (S) Cristofani also had picked up another boy who the victim believes was 17 years old because (S) Cristofani had told him that when he met him on line. The victim stated that (S) Cristofani picked the boy up in [REDACTED] Ca. The victim stated that when they all arrived at (S) Cristofani's house, (S) Cristofani gave him money so he could buy methamphetamine from a guy named [REDACTED] who lived in [REDACTED].

[REDACTED] The victim stated that when he returned to (S) Cristofani's home, he smoked methamphetamine with the two other boys but that (S) Cristofani did not smoke any methamphetamine. The victim related that he saw (S) Cristofani having anal sex with the boy from [REDACTED] and believes that (S) Cristofani tried to have sex with [REDACTED] but [REDACTED] got "wiggled out." The victim stated that [REDACTED] left the residence and drove back home to [REDACTED]. The victim related that (S) Cristofani then drove him and the boy from [REDACTED] to [REDACTED] where he dropped them off at an apartment on [REDACTED]. The victim stated that the apartment belonged to a lady named [REDACTED]. The victim believes that (S) Cristofani took the boy from [REDACTED] back home the following day.

The victim provided me with a detailed description of (S) Cristofani's residence in [REDACTED] and also the type of vehicles (S) Cristofani drives. The victim also stated that he is aware that (S) Cristofani is married and has a daughter. The victim further stated that he has been to (S) Cristofani's residence on at least four occasions and related that he has a gun safe with several guns and a home computer. The victim told me that (S) Cristofani has shown him several photos of boys that he had stored on his home computer. The victim stated that many of the photographs appeared to be of males under the age of 18 years.

and some as young as 14 years old. The victim stated that a majority of the pictures were of boys who were nude in the photos and the victim saw that some of the nude boys depicted were engaged in sexual acts with other males. The victim stated that he was last at (S) Cristofani's residence in [REDACTED] when he saw these photographs approximately 4 years ago.

The victim stated that during the month of July 2006, (S) Cristofani called him and asked him to bring him a gram of crystal methamphetamine. The victim stated that prior to this occasion (S) Cristofani had given him money to buy drugs, but that he had never seen (S) use or possess narcotics. The victim related that he did not know why (S) Cristofani wanted the methamphetamine. The victim stated that he was with his partner (W) [REDACTED] [REDACTED] when they met (S) Cristofani at the gas station behind the "Casa Blanca" motel on Foothill Blvd, in Hayward. The victim stated that he gave (S) Cristofani a gram of crystal methamphetamine in exchange for \$40.00 dollars. The victim stated that this was the first time that (W) [REDACTED] had ever met (S) Cristofani.

The victim stated that throughout his relationship with (S) Cristofani, he had borrowed money from him on several occasions. The victim related that (S) Cristofani helped him pay his cellular bill one time and also helped him pay his rent at times. The victim related that during the month of August 2006, (S) Cristofani had been consistently asking him to pay back the money he owed him. The victim stated that at the time he was staying with (W) [REDACTED] who lived in [REDACTED] California. The victim related that he was aware that (W) [REDACTED] was writing bad checks at the time on his ex-wife's business account and decided to pay back (S) Cristofani with one of the checks. The victim related that he met with (S) Cristofani in [REDACTED] and gave him one of the checks for approximately \$300.00 dollars. The victim stated that he believed that this particular check was a good check and would not have given it to (S) Cristofani if he knew there would be a problem cashing it. The victim stated that a couple of days later, (S) Cristofani called him and stated that he was being detained by the Tracy Police Department at a Well Fargo bank because the check was not good. For further details concerning the Tracy Police Department's contact with (S) Cristofani on August 21<sup>st</sup>, 2006, see attached TPD report #06-08013.

The victim further stated that approximately two days later, (S) Cristofani called him again and stated that he was almost arrested by Tracy PD. The victim stated that (S) Cristofani told him that Tracy PD wanted to talk to him and provided him with their telephone number. The victim stated that (S) Cristofani told him that he spoke with Tracy PD and/or Hayward Police Department Internal Affairs Unit he was to tell them that he met (S) Cristofani when he was detained many years ago and was suppose to provide information about other suspects but never did. (S) Cristofani further told the victim that he was to tell them that throughout the years the victim had borrowed money from him and this check was payment for the money he had borrowed. The victim related that (S) Cristofani told him specifically not to tell anyone about the "sex" part of their relationship. The victim further stated that during this telephone conversation, (S) Cristofani threatened him. I asked the victim if he could remember specifically what (S)

Cristofani had said to him. The victim stated that (S) Cristofani told him that he would find him and he would shoot him if he turned him in to Tracy PD or Internal Affairs. The victim stated that he is fearful of the threat and believes that (S) Cristofani has the means to carry out the threat since he is a police officer and possesses numerous firearms.

The victim stated that he has only seen (S) Cristofani once since the fictitious check was discovered and that was when (S) Cristofani pulled him over on "A" Street near Main Street approximately 4-5 months ago. The victim stated they spoke briefly and then departed ways. The victim related that he has spoken to (S) Cristofani a few times via instant messaging since then but not in the last two months.

The victim stated that his friends (W) [REDACTED] & (W) [REDACTED] who he refers to as his "uncles" are also aware that he was dating (S) Cristofani and have seen him with (S) Cristofani on many occasions. At the time of the interview, the victim was unaware that I had already spoken with them.

The victim stated that (S) Cristofani e-mail address is [REDACTED] and that his screen name on AOL instant messaging and on Gay.Com is [REDACTED]. The victim related that (S) Cristofani utilizes e-mail and instant messaging to communicate with him and also to communicate with other boys that he is trying to meet.

The victim was later able to access his e-mail account and printed out two different e-mails that he had received and saved from [REDACTED]. The first e-mail was dated February 2<sup>nd</sup>, 2006 and stated:

"Hey there. How ya doing? How is Sac, you still like it? I was wondering when you were coming down to see me or when I can come up there to see you. Soon I hope. Also you have my money together yet? I can get it from you when I see you. Let me know what works so I can see you. Jeff"

The second e-mail was dated February 14<sup>th</sup>, 2006 and stated:

"I tried calling you back ast night. I got through the first time then either got disconnected or you hung up just after you answered it. I called back then got a recording that said you did not take calls from blocked numbers even though you had just gotten one. So I tried again with unblocking my number and yet I got the same message. Then I called from work which is not blocked to begin with and again the same message. So not sure whats up, but I called back. Jeff"

The victim stated that he would be willing to access a computer on my behalf in an attempt to find and make contact with (S) Cristofani. The victim further stated that he would also be willing to wear a body wire and meet with (S) Cristofani for the purpose of discussing details of the events that he had just described to us.

On March 27<sup>th</sup>, 2007, Inspector Luevano, Detective Edens, and I again met with the victim. I directed the victim to attempt to contact (S) Cristofani for the purpose of

meeting with him to discuss the Tracy Police Department's investigation of the fictitious check. The victim telephoned the Hayward Police Department and left a message for (S) Cristofani with his cellular telephone number. I also provided the victim with a digital recorder for the purpose of recording the telephone call between him and (S) Cristofani. I was present during all telephone conversations between the victim and (S) Cristofani.

At approximately 1530 hours, the victim received an incoming call from a blocked number. The victim answered the call and the person immediately identified himself as "Jeff" and asked the victim what he wanted. I also immediately recognized the voice on the call as (S) Cristofani. The victim told (S) Cristofani that Tracy PD had called him and wanted to meet with him in the next couple of days. (S) Cristofani told the victim that he did not need to meet with them since his part of it was done and he had already gotten into trouble. (S) Cristofani further stated that the victim should be careful if he does meet with TPD and also stated, " If you do meet with them, don't fucking give them anything else."

The victim asked (S) Cristofani if he could meet with him when he arrived in Hayward and (S) Cristofani told him to try calling him when he gets to Hayward. The victim asked (S) Cristofani for his cell number and (S) Cristofani initially gave him [REDACTED] then stated, "No, No, No, don't use that number. Fuck. Call me at [REDACTED]." The victim then asked (S) Cristofani to call him back with the number unblocked so that he store the number. (S) Cristofani agreed and immediately called back with a caller ID of [REDACTED]

At approximately 1910 hours, after the victim had left a message on (S) Cristofani's cellular telephone that he was now in Hayward and wanted to meet, (S) Cristofani called back and told the victim to meet him in twenty minutes at Southland mall behind the "Olive Garden" restaurant. I then provided the victim with a body wire that he concealed on his person and directed him to the listed location. I watched the victim park his vehicle in the parking lot behind the listed restaurant. I then took a position when I could clearly see the victim w/o and visual obstruction. Inspector Luevano and Detective Edens were doubled together and also took a position near the victim where they could record the body wire transmissions between the victim and (S) Cristofani.

At approximately 1945 hours, I saw (S) Cristofani arrived in a marked Hayward Police vehicle and park in the parking stall next to the victim. The driver's side of (S) Cristofani's vehicle was adjacent to the driver's side of the victim's vehicle. The following is a summary of the key points of their recorded conversation:

The victim told (S) Cristofani that he had told (W) [REDACTED] that he was dating a cop and that [REDACTED] was now in-custody and that Tracy PD is again asking questions about how the victim knows (S) Cristofani. (S) Cristofani asked the victim if he told (W) [REDACTED] what Police Department the cop worked for that he was dating and the victim told him that he had not. (S) Cristofani then told the victim, "If nobody can get a hold of you, if nobody can talk to you, if nobody can find you, then this is going nowhere." (S) Cristofani also stated, "They can tell when you are lying. They are very good at this."

The victim then asked (S) Cristofani if he needed to do another vanishing act and (S) Cristofani stated, "Yeah."

The victim then asked (S) Cristofani for an apology for the threat he made to him during the last telephone conversation. (S) Cristofani asked the victim what he was talking about and the victim stated, "When you told me that if I said anything, you were going to get me." (S) Cristofani immediately stated, "It doesn't sound like its over, sounds like its fucking rearing its ugly head again. I could see my Lieutenant telling me that I am the subject of another internal investigation. That I lied to the department." The victim again asked (S) Cristofani for an apology and told (S) Cristofani that his exact words to him were, "If I fucked up your life you would shoot me." (S) Cristofani stated, "I don't remember what I said, and I don't think you would do anything on purpose so I am sorry for implying that, however, I can't have my life fucked up. They can't take my gun nine years from retiring."

(S) Cristofani then told the victim, "Don't help them out. Tell them you can't give them anymore information." The victim then tells (S) Cristofani that he has a new friend that he thinks is 17 years old and is into older guys. The victim then told (S) Cristofani that he could use some assistance and ask (S) Cristofani if he wants to meet his friend. (S) Cristofani stated that he is not sure but does not want him coming to his house. The victim then offers to get a motel room and ask (S) Cristofani if he is still on-line. (S) Cristofani stated that he is a little and confirms that he is on-line as [REDACTED]

(S) Cristofani then ends the conversation by asking the victim what his plans are regarding Tracy PD. The victim then asks (S) Cristofani again if he wants him to disappear and not talk to Tracy PD. (S) Cristofani replies, "Yeah." (S) Cristofani then told the victim to call him on his cellular telephone. I then saw (S) Cristofani drive away from the victim.

On March 28<sup>th</sup>, 2007, Inspector Luevano obtained a court order signed by the Honorable Judge Saunders of the Hayward Superior Court. The court order was directed to America Online, (AOL), and asked for subscriber information for email account [REDACTED]. The order was for subscriber name and address, types of services utilized, email addresses, IP addresses, length of service, and means of payment to include credit card and bank account numbers. Inspector Luevano faxed the court order to America Online and requested the return via fax.

On March 29<sup>th</sup>, 2007, Inspector Luevano, Detective Edens and I met with the victim at an undisclosed location in [REDACTED]. The victim had explained to us that (S) Cristofani regularly chats on the Internet and has done so with him regularly in the past. The victim stated that (S) Cristofani confirmed during the meeting at Southland mall that he is still utilizing the screen name [REDACTED]

Using a wireless laptop computer that I provided him, the victim logged onto "AIM" (America Online Instant Message) as [REDACTED] and pulled up his "friends" list. The Victim scrolled down his list and identified [REDACTED] as Cristofani. The list showed

that [REDACTED] currently offline so the Victim placed a call to him asking him if he would be online sometime today.

During that phone call, which was recorded, (S) Cristofani stated he was running some errands but would be logging on when he returned home in the next hour or so. The victim then set up his account to chime as soon as [REDACTED] was online.

Approximately 45 minutes later, at 1321 hrs, the victim's AIM chimed and alerted us that (S) Cristofani had logged on as [REDACTED]. Prior to their chat, I thoroughly explained to the Victim to chat with (S) Cristofani as he normally would. I also explained to the victim that he could not make any promises or imply any threats to (S) Cristofani.

The following are excerpts from the chat between the victim and (S) Cristofani. During their face to face meeting two days before, the victim said he had a 16 year old friend and which (S) Cristofani said he was interested in meeting. In this excerpt, the victim asks if he is still willing to meet a 16 year old friend of his:

V: so any hotties lately

At the conclusion of our conversations with (S) Cristofani as [REDACTED] and as [REDACTED] there were several indicators that (S) Jeff Cristofani was the person chatting with both the victim and Inspector Luevano:

1. [REDACTED] provides a detailed description of what the victim was wearing the night of their face to face meeting in which only (S) Cristofani would know of.
2. During the initial chat with the victim, [REDACTED] suddenly logs off during a conversation without any notice. The victim calls (S) Cristofani on his cell phone and asks him what happened. (S) Cristofani explains that his dial up Internet connection shut down and he had to log back onto the Internet. This call was also recorded and after listening to it, myself, Inspector Luevano and Detective Edens all identified the voice as (S) Cristofani.
3. Prior to the Internet chats, the victim had disclosed certain events involving he and (S) Cristofani. These events occurred when the victim was a minor and only (S) Cristofani would have knowledge of these events. In their chat session, (S) Cristofani not only brings up one of those events but names the 2<sup>nd</sup> Victim by name.
4. (S) Cristofani also refers to his Administrative Investigation with HPD which is something only he would have specific knowledge about.

On March 30<sup>th</sup>, 2007, I received a fax from America Online in reference to the court order that Inspector Luevano obtained regarding email account [REDACTED]. The America Online fax related that the subscriber for the listed email account was (S) Jeff Cristofani at [REDACTED]. The AOL information was

that (S) Cristofani's account was active and that the bill is paid by (S) Jeff Cristofani with a credit card issued to him. The information further stated that there were three screen names assigned to the account. They include [REDACTED] & [REDACTED]. See attached copy of America Online court order compliance fax.

On April 2<sup>nd</sup>, 2007, I received a telephone call from the victim. The victim explained to me that he wanted to clarify some information that he had previously provided me in his recorded statement. The victim stated that he had just recently had a conversation with his mother (W) [REDACTED] regarding her first encounter with (S) Cristofani, the addresses they were living at when he was 16 years old through 18 years, and his 18<sup>th</sup> birthday party. The victim told me that after talking with his mother it refreshed his memory regarding certain events during those years and he now had a clearer memory of specific events regarding (S) Cristofani.

The victim stated that he was detained by (S) Cristofani and brought home to his mother when he was 17 years old. The victim stated that he is not sure if it was right before he turned seventeen or just after. The victim stated that during the encounter with (S) Cristofani, (S) Cristofani obtained his home telephone number. The victim stated that a few weeks later, (S) Cristofani called him at his house and asked him to meet him behind the "Arnie's Timeout" bar on Mission Blvd. in Hayward. The victim stated that he drove his mother's car to the listed location and saw (S) Cristofani in his patrol vehicle. The victim stated that after they talked for awhile, he agreed to perform oral sex on (S) Cristofani. The victim stated that he saw in the back seat of his mother's vehicle with the door open while (S) Cristofani stood outside the vehicle. The victim stated that he then orally copulated (S) Cristofani.

The victim stated that the second event he specifically remembers when he was seventeen years old was the event that he had previously told me where he met (S) Cristofani behind the address at 1001 Whipple Road and again orally copulated him while they stood outside of their vehicles.

The victim told me that some time after this event, he now remembers that he was arrested and sent to juvenile hall. The victim related that while in custody at juvenile hall his eighteenth birthday past. The victim stated that shortly after his eighteenth birthday, he was released from juvenile hall. The victim stated that his mother then threw him an 18<sup>th</sup> birthday party at [REDACTED] church in [REDACTED]. The victim told me that he now remembers that (S) Cristofani showed up at the party and they spoke for quite some time. It was some time after this party that the victim now remembers (S) Cristofani coming over to his apartment on [REDACTED]. The victim related that he engaged in both oral and anal sex with (S) Cristofani while he was on-duty and that he was 18 years old at the time.

The victim told me that he began having a sexual relationship with (S) Cristofani when he was 17 years old and specifically remembers the two described events before turning 18. The victim stated that he stopped having a sexual relationship with (S) Cristofani when he was 23 years old. The victim stated that during that five year span, he estimates

that he had sex with (S) Cristofani at least 15 times while (S) Cristofani was on duty to include the two described events when he was 17 years old. The victim stated that he engaged in sex with (S) Cristofani while he was off-duty approximately three or four times and that he was at least 18 years old during these encounters. However, the victim told me that during this five year span, he met with (S) Cristofani at least once a week while (S) Cristofani was working so that they could talk or get something to eat together. The victim stated that it is the extended time that has past since his first encounters with (S) Cristofani and the sheer numbers of meetings with (S) Cristofani since then that initially caused him to confuse some of facts in his original statement.

On April 2<sup>nd</sup>, 2007, at approximately 1915 hours, Inspector Luevano and Detective Edens made contact with Victim #2 at his mother's residence. It should be noted that victim #2 is the same person that both the first victim spoke of when he stated that he drove a 16 year old male juvenile to (S) Cristofani's residence in [REDACTED]. (S) Cristofani also mentioned victim #2 by name to the first victim when they were talking on the instant message AOL account.

In summary, Inspector Luevano told me that before she could explain to victim #2 the reason for her contact, he spontaneously asked them if they were there to speak with him about "Jeff?" Victim #2 told Inspector Luevano that he has not seen or spoken to victim #1 in over two years, however related that when he was approximately 16 years old, victim #1 drove him to an older man's house in [REDACTED]. Victim #2 stated that the purpose of going to this person's house was to "party." Victim #2 related that he met (S) Cristofani for the first time when he arrived at his house and it was at this time that he discovered that (S) Cristofani was a Hayward Police Officer. Inspector Luevano showed victim #2 a photo line-up consisting of six Hayward police officers' photographs and victim #2 immediately identified photograph #2 of (S) Cristofani as the police officer who's house victim #1 took him to in [REDACTED] and who also identified himself as Jeff.

Victim #2 stated that (S) Cristofani provided him and victim #1 with shots of vodka and after a while (S) Cristofani went on-line on his home computer and showed them several photographs of under aged males. Victim #2 related that he also showed them a photograph of a blond hair, blue eyed, male juvenile who (S) Cristofani stated they were going to pick up in [REDACTED], Ca. and bring back to his house to party with. Victim #2 stated that they got into (S) Cristofani's [REDACTED] truck and drove to [REDACTED] where they picked him the boy in the photograph that (S) Cristofani had shown them earlier.

Victim #2 related that when they all returned back to (S) Cristofani's home, they all drank some more vodka and eventually all ended upstairs in the master bedroom. Victim #2 stated that (S) Cristofani put on a video of a guy on guy pornographic movie and all four of them laid down together on the master bed. Victim #2 stated that (S) Cristofani then orally copulated him while they were together on the bed. Victim #2 stated that at the time, he was just starting to experiment with his sexually so he was confused and also "freaked out" by the fact that (S) Cristofani was a police officer. Victim #2 stated that he refused to continue and asked victim #1 if he could drive his vehicle back to [REDACTED]. Victim #2 stated that he drove victim #1's [REDACTED] back to [REDACTED] and has not seen

or spoken to (S) Cristofani since. Victim #2 stated that he has seen victim #1 several times since the described incident but they have never really talked about it. The interview with victim #2 was recorded and for further details regarding victim #2's statement, see Inspector Luevano's attached supplemental report.

On April 4<sup>th</sup>, 2007, Inspector Luevano obtained a Ramey arrest warrant for (S) Jeff Cristofani signed by the Honorable Judge Saunders of the Hayward Superior Court. The Ramey warrant was for two counts of 288a(b)(1) PC, oral copulation, 136 PC, intimating a witness, and attempted 273a PC, child endangerment. Judge Saunders set bail at \$250,000 dollars. See attached copy of Ramey warrant.

Inspector Luevano also obtained a search warrant for (S) Cristofani's residence located at [REDACTED] California, his work locker located at 300 West Winton Avenue, Hayward, California, and his two personal vehicles. The search warrant was authorized by Honorable Judge Saunders of the Hayward Superior Court. For a description of the property, things, and evidence to be seized, see attached copy of search warrant.

On April 5<sup>th</sup>, 2007, at 1315 hours, Sergeants Quinn, Nishimoto, and I took (S) Cristofani into custody w/o incident when he arrived for work at 300 W. Winton Avenue, Hayward. I advised (S) Cristofani of the Ramey warrant and told him that we had also obtained a search warrant for his residence, locker, and personal vehicles. (S) Cristofani provided me with his garage key-pad code to allow us access to his residence and advised that there was no one present at his residence. (S) Cristofani provided me with the combination to his gun safe located in his residence and the combination to the lock on his work locker. I took possession of a cellular telephone that (S) Cristofani had in his possession and it was later placed into evidence for examination.

At approximately 1410 hours, Inspector Luevano, Detective Edens & Sergeant Martinez executed the search warrant of (S) Cristofani's residence at [REDACTED], California. The residence was unoccupied at the time of the search. For details concerning evidence located during the execution of the search warrant, see Inspector Luevano's attached supplemental report.

#### **SUSPECT STATEMENT:**

Prior to being booked at Santa Rita County jail, I admonished (S) Cristofani of his rights and he stated that he understood them and did not want to answer questions w/o an attorney. (S) Cristofani was transported to Santa Rita County jail by Alameda County Sheriffs Deputy R. Carter #1317.

**CASE STATUS:**

Forwarded to the District Attorney's office for a complaint against (S) Jeff Cristofani for:

## HAYWARD POLICE DEPARTMENT - HAYWARD, CA

The serialized firearms will be checked in the Automatic Firearms System by CSO Eakin no later than Monday, 4/9/2007.

At approximately 1750 hours I responded to the residence to interview (W) [REDACTED] [REDACTED] is the mother of V1. I identified myself, explained the purpose of my visit, and asked if it was okay if I tape recorded the interview. [REDACTED] said I had her permission to record the conversation. [REDACTED] was already aware of the reason for the interview and had been in contact with V1.

I asked [REDACTED] if she was aware of any relationship between V1 and HPD Officer Jeff Cristofani. [REDACTED] said she knew Cristofani as 'Jeff' and said she had first met him when he and another officer brought V1 home to her apartment located on [REDACTED]. [REDACTED] said V1 was 17 years old at the time. [REDACTED] said she had been told V1 and another subject were sitting in a parking lot smoking cigarettes when they were stopped.

[REDACTED] said shortly thereafter V1 was incarcerated in juvenile hall. After V1's release, [REDACTED] held a belated 18th birthday party for V1 at [REDACTED] in [REDACTED]. She said 'Jeff' was present at the party but seemed somewhat shy and kept to himself. [REDACTED] did see 'Jeff' speaking to two friends of hers and V1; [REDACTED] and [REDACTED]. [REDACTED] said she moved from the apartment on [REDACTED] to an apartment on [REDACTED]. She was eventually forced to move from the [REDACTED] to take care of her ailing mother. At the time, V1 was living at the [REDACTED] with a young woman named [REDACTED] who

[REDACTED] had allowed to move in. [REDACTED] said she was asked to leave by the apartment management because there were complaints about the activity at the apartment and the management was aware she no longer lived there. V1 moved in with [REDACTED] and [REDACTED] mother where they continue to live today. Due to the lack of available space V1 had to sleep on a couch in the living room. [REDACTED] was aware of phone calls to the residence who V1 said were from 'Jeff'. [REDACTED] also remembers occasions where V1 told her he was leaving the house to meet to meet 'Jeff' at Denny's restaurant in Hayward and to meet 'Jeff' near the auto auction in Hayward. [REDACTED] recalls V1 telling her he went to 'Jeff's' house and met his family, as well as, going boating with 'Jeff'. [REDACTED] also recalled an instance were V1 told her 'Jeff' was in the living room of the residence but she did not actually seem him there.

I asked [REDACTED] if she ever had any suspicions about the relationship between V1 and 'Jeff'. She said she never imagined there was any sexual relationship between them and believed 'Jeff' was acting in a strictly platonic manner.

I asked [REDACTED] if she remembered what 'Jeff' looked like. She replied that she did and I asked if she would look at a photo line-up. [REDACTED] agreed and I read her the HPD photo line-up admonition form and asked her to sign it. I showed [REDACTED] a photo line-up which had been created earlier by Inspector Luevano. After scanning each image, [REDACTED] identified photo number four as 'Jeff'. It should be noted photo number four depicted Sergeant [REDACTED] and that the photo of Officer Cristofani was in the number two position. I asked [REDACTED] to circle the photo and sign it. [REDACTED] took her glasses off, re-examined the photos, put her glasses back on, looked at the pictures again, and then circled and signed the photo line-up. [REDACTED] reiterated she had only seen 'Jeff' one time after he had brought VI home and that was at VI's 18th birthday party.

At the conclusion of the interview I turned the tape recorder off. However, I later thought of some additional questions and restarted the tape recorder. I asked [REDACTED] if she remembered which vehicles she had owned over the last several years. [REDACTED] said that while she lived with VI on [REDACTED] she owned a teal colored [REDACTED] station wagon. [REDACTED] had earlier remarked that VI had taken her car several times without her permission after sneaking out of the house. [REDACTED] also told me she had purchased a white four door car for VI to use while he lived on [REDACTED]. [REDACTED] was unsure but believed the car was a [REDACTED]. [REDACTED] remembered the car because her vehicle eventually broke down and she used the white car to go to work and VI used the car when she was not working. [REDACTED] said the white car was towed and impounded by an unknown law enforcement agency approximately five years ago.

At the conclusion of the second set of questions I turned the tape recorder off. As I was exiting the residence I asked to see the area where VI had been sleeping when he lived there. [REDACTED] showed me the front living area which is at the far west end of the residence. I asked where [REDACTED] room was and she said it was at the far east end of the residence. [REDACTED] pointed out the living room has a door leading to the outside of the residence. [REDACTED] told me she usually kept her bedroom door open unless VI had guests at which time VI would typically close the door to keep the noise from bothering her.

This supplement involves a continuing criminal investigation into the allegations of child molestation against (S)Jeff Cristofani. As of this date, this is my second supplement regarding my assistance with the investigation.

On 04/04/2007, I prepared a Search Warrant for the home, vehicles and employee locker of (S)Cristofani. In addition to the Search Warrant, I also prepared a Ramey Warrant for Cristofani's arrest. Both orders were signed by the Honorable Judge Reginald Saunders of the Hayward Superior Court at 1605 hours.

The following morning on 04/05/07 at approximately 1030 hrs, (W)Captain Palermini assigned (W)Detective Edens, (W)Sgt. Martinez and I to respond to the City of [REDACTED] in order to serve the Search Warrant on the Cristofani residence. We were instructed to stand by and wait to serve the warrant until Cristofani arrived at the Police Department and was taken into custody.

We arrived in the City of [REDACTED] and staged at the Tracy Police Department at 1230 hours. At 1330 hrs, Capt. Palermini contacted me and advised (S)Cristofani had taken into custody without incident. He said Sgt. residence. Sgt. Lundgren called us back shortly after and advised us that (S)Cristofani had given him the combination to garage door which would allow us entry into the home. He also said at this time, (S)Cristofani was extremely reluctant to give us the combination to his gun safe.

At 1410 hrs, Sgt. Martinez, Detective Edens and I arrived at the home and were able to safely make entry into the residence without causing any damage. Also present was (W)Sgt. Manny Rivera and (W)Detective Vince Recce, both of the Sacramento Valley Hi-Tech Crimes Task Force. Sgt. Rivera and Det. Recce were prepared to take custody of any and all computer related equipment and media storage devices in order to have them forensically analyzed at their offices.

After securing the residence, I took basic "entry" photos of the home prior to any searching. While Sgt. Martinez, Detective Edens and I started the search of the den located in N/W corner of the home, Sgt. Rivera and Det. Recce began the inventory of the computers located in the den and living room.

Although there were two dens (located adjacent to one another) it was apparent the one East of us contained school related paperwork & supplies and appeared to be the work space for Mrs. Cristofani and was only briefly searched.

In the N/W den, I first located what appeared to be a very large standing gun safe located in the closet. Due to the fact (S)Cristofani would not provide the combination, a Lock Smith had been summoned to the residence to open it. However, one hc arrived on scene, Sgt. Lundgren contacted us and provided us with the combination. He said (S)Cristofani warned him that his medical records were inside and that we should not make entry because of that. Although I understood his concern, the warrant authorized the entry into any storage containers/safes and we had no reason to search through any medical records because it was not relevant to our search.

Upon opening the safe, I saw the left half contained numerous long guns and what appeared to be antique/collectable handguns. There were also several magazines, and pieces of ammunition, all of which were carefully cleared and boxed by Detective Edens and Sgt. Martinez. (Refer to Det. Edens' supplemental report for the list of weapons/related evidence).

Under Penal Code Section 293, I advised the victim(s) that his/her name will become a matter of public record unless he/she requests confidentiality pursuant to Government Code Section 6254. Confidentiality requested:  Yes  No

As Det. Edens and Sgt. Martinez handled the weaponry, I began the search of the right side of the safe, which was composed of (3) cube like storage spaces and one wide flat shelf. Stored in the rear portion of the bottom cube, I located (8) assorted VHS tapes which appeared to be of male/male pornography content. Adjacent to the tapes was a lunch bag size brown paper bag with the name "████████" handwritten on it. Inside, I located multiple condoms, (2) tubes of lubricant and a neon green piece of paper with "████████" written on it. Suspecting this could possibly be another potential victim and his contact information, I seized the bag and its contents, and the VHS tapes and placed them into evidence.

In the middle shelf, laying on top of several files, I located a small spiral bound Mead notebook which contained many handwritten notes. The notes appeared to be names, phone numbers and descriptions of possible victims (all male). Knowing it is not uncommon for such suspects to keep logs/diaries, I also took this list of potential victims as evidence.

On the top shelf, I located (2) pieces of indicia in (S)Cristofani's name- an old California ID card with photo and a piece of mail with the ██████████. I also located a torn piece of paper that contained the password and user name of "████████ & "████████" DOB ██████████ I immediately recognized this information because on Monday, April 2nd, 2007, I had checked the "████████ 1" account with Yahoo! and found I had received an Email from "████████" which I had known to be (S)Cristofani. In his Email, he wanted to advise me that he had a new screen name/ email account and said he would be in touch soon. That account was "████████"/"████████". I also found (2) separate notes which contained the names "████████" and "████████". The notes appeared to be directions to homes and had phone numbers on them.

Adjacent to these papers, I also located (1)Lexar Jump Drive and (1)Kodak SD media card. After placing the above items in a evidence bag, I walked the two media devices into the kitchen and handed them to Det. Recce. Knowing such items used to store large amounts of media, I suspected they may contain potential victims and asked Det. Recce if he could open them.

Det. Recce was able to open both devices and found numerous photos of nude males posing and engaging sexual acts. In scanning the photos, I saw there was a large set in which I could identify (S)Cristofani. The male he was engaging with appeared to be of age, however, I could not be positive if he was younger.

There were also other files containing what appeared "amateur" shots of other nude/ semi nude males, taken with a "Kodak Easy Share" camera just as I had located in the closet, adjacent to the gun safe. Due to the sheer number of photos, we were only able to scan them but did locate several that were clearly those of the genitals of a young boy (8-12 years). Although I packaged both items, Det. Recce was able to copy both of them for further exam.

In the desk, located in the same room, I did locate an HPD envelope with (S)Cristofani's name on it. Inside, I located a (4) page note which was after reading it, appeared to be (S)Cristofani's "version" of how he knew V#1 and why he accepted a fraudulent check from him. It appeared he was had "practiced" or "rehearsed" his memory of the events.

After collecting all of the seized items, we conducted a walk through of the home, assured all of the doors were locked, and left the residence through the garage just as we had entered. Because Mrs. Cristofani had not arrived as expected, we did lock the gun safe back up due to the large coin collection, credit cards and cash \$1280.00) that was stored inside. (\*verified by Sgt. Martinez)

The following day, on Friday 04/06/07, at 1330 hrs, I accompanied Sgt. Lundgren to the San Jose Police Department where we met with V#1 and formally interviewed him in an interview room. In his interview, V#1 appeared to have recalled one additional incident in which he orally copulated (S)Cristofani when he was under age. (Refer to Sgt. Lundgren's supplemental report regarding V#1's interview.)

Later that afternoon, we arranged for V#1's "adopted Uncle's", (W) [REDACTED] and (W) [REDACTED] to come to HPD to be interviewed regarding their knowledge of V#1's involvement with (S)Cristofani. In summary, [REDACTED] and [REDACTED], said they were both aware that V#1 was involved with (S)Cristofani when V#1 was just a teen ager. [REDACTED] explained he had decided to report what he knew after learning from other teens in the local gay youth group that "Officer Jeff" will help you out in exchange for sexual favors. Knowing which officer they were referring to, coupled with the fact that he is married, [REDACTED] said he decided to finally report this information, which he did in December 2006 to Lt. Orrey.

[REDACTED] said the 1st time he was introduced to (S)Cristofani was behind "Amie's Time Out" when V#1 had

Name:

to take his mother's station wagon to be repaired. He said when a patrol car pulled up, V#1 introduced him as "his boyfriend" then kissed the officer. [REDACTED] said he sat in his truck while V#1 sat in the passenger seat of the patrol car and gave "Officer Jeff with the Puppy Dog" oral sex. [REDACTED] said it was obvious because "Officer Jeff" had his hands on top of V#1's head and V#1's head was bobbing up and down. He said when V#1 exited, he got into [REDACTED]' truck and was ready to go, telling [REDACTED] "I just love those protein lunches !!!"

[REDACTED] said they later met "Officer Jeff" again when V#1 brought him to their home. [REDACTED] said this was his 1st time meeting "Jeff" and said it was obvious they were a couple because of the open affection/kissing/petting. [REDACTED] said he never witnessed any sexual acts between the two but was present when [REDACTED] gave the pair a very large two headed dildo (2 1/2 ft in length) as a gag gift. [REDACTED] said "Officer Jeff" turned bright red and never came back to visit.

However, they both recalled how "Officer Jeff" later came by V#1's big 18th birthday party at the [REDACTED]. They said he drove his brand new red [REDACTED] and shied away from the other party guests. [REDACTED] said he also recalled how V#1 was allowed to drive this new red [REDACTED] and assumed he and "Officer Jeff" were still dating.

Both [REDACTED]s and [REDACTED]y were separately shown photoline up's containing (S)Cristofani's photo.

[REDACTED] immediately identified (S)Cristofani, but [REDACTED] said the photos were all very similar and thought the 6th photo (Sgt. [REDACTED]) looked like what he remembered. [REDACTED] did state that he remembered "Officer Jeff" was a white male with a big moustache. (Refer to photo line up's in evidence & CD-R of recording of [REDACTED] and [REDACTED] interview).

I am a Police Inspector with the Hayward Police Department in Hayward, California. I have been a Police Officer for Hayward since September 1997. I am currently assigned to the Office of Ethical Standards as an investigator. However, my primary area of expertise is in Child Abuse Investigations. Prior to my current assignment, I was assigned to the Youth & Family Services Division where I investigated or significantly been involved in an excess of 500 suspected child abuse cases. Those cases involved Neglect, Physical Abuse, Sexual Abuse, and Child Exploitation. For the purposes of this document, Child Exploitation is divided into three areas: Child Pornography, Child Sex Rings and Child Prostitution.

I have interviewed in excess of 400 persons who were reported to be or there was probable cause to believe, were the Victims of Child Abuse/and or Child Sexual Exploitation. As a result of investigations, serving or assisting in the service of Search Warrants or reviewing evidence from the other investigator's cases, I have personally reviewed hundred of pieces of correspondence, video tapes, audio tapes, manuscripts, diaries, literature, photographs and periodicals produced or written by persons who have a sexual interest in children and/or the sexual exploitation of children. The material also details of their interests, desires, fantasies, methods of obtaining and maintaining Victims & avoiding Law Enforcement and/or prosecution.

**YOUR AFFIANT SAYS THAT THE FACTS IN SUPPORT OF THE SEARCH / ARREST WARRANT ARE AS FOLLOWS:**

I maintain regular and close contact with other investigators and prosecutors who are recognized experts in the field of child sexual assault. We discuss intelligence, investigative techniques and the latest developments in the law.

Based on my education, training, experience and consultation with experts, I have learned that child predators, child molesters and people who buy, produce, trade, sell or possess child pornography or who are in the business of marketing children for prostitution have one or more of the following characteristics:

- They are persons whose sexual objects are children. They receive sexual gratification and satisfaction from physical contact with children and from fantasies using pictures or other depiction's of nude, semi-clothed or clothed children. Oftentimes, these depictions are of children involved in sexual activity.
- They collect pornography depicting children and/or adults involved in both heterosexual and homosexual activity. They will also possess magazines that depict adult nudity and "soft core," pornography, i.e., implicit (no penetration, simulation only). The pornography (sexually explicit materials) includes, but is not limited to, photographs, magazines, motion pictures, videotapes, books and slides which they use for their own sexual gratification and fantasy.

psychological support by exchanging, trading or selling them to other people with similar interest. These photographs are carried and kept by these persons as a constant threat to the child, i.e., blackmail and/or exposure.

- These persons often use drugs and/or alcohol as a means of inducement to get a child into the particular location of the offender's home. Both drugs and alcohol are used as a means of seduction, reducing the child's inhibitions, and for sexual excitement. Further, these persons will oftentimes utilize their child victims as a means to transport, hold and distribute drugs. This not only increases the financial status of these individuals but also further lowers the inhibitions of their victims by introducing them to another criminal activity.
- These persons often collect and maintain artifacts, statues, paintings or other art media, which depict children or other young persons in nude poses or sexual acts. These are kept or left in places where the victim can find or discover them.
- These persons often keep and obtain things of interest to their victims. This may consist of magazines, books, toys for the age level of the victims they desire to attract, and may be as complicated as video games, toy train sets and computers.
- The persons will often use sexual aid and props while they are molesting and/or photographing children. These aid and props may include but are not limited to; dildos, vibrators, lotions, lingerie, and items of clothing and items of furniture.
- These persons will not stop with one victim, but will constantly seek out new ones, often using the same methods of stalking and seduction that have been successful for them in the past. They will also use methods to obtain victims that have been passed on to them by other persons have their same interests in children.
- In cases of child prostitution/exploitation, these persons will use their current victims to "recruit" new victims, often times targeting group homes, foster homes and other places where vulnerable children can be easily accessed, including the Internet.
- These persons, although a small percentage, may kidnap and/or kill their victims. The killings may be to silence the victim. It may also be part of a sadistic ritual in which the person obtains sexual gratification from the infliction of pain and/or killing of a child. They may keep the child alive for some time prior to the killing. The sadistic child predator or molester may collect pornography depicting children involved in sadomasochistic activity or being killed (snuff film). Some of these persons may abandon or return the victim unharmed after they have molested them. These persons may lack the sophistication or patients to cultivate and seduce their victims or they may have no access to children in their daily lives.

Victims:

- Most children will not disclose their victimization to a responsible adult in a timely manner, if at all. Some children may even deny the molestation occurred when initially confronted. Some of the motivating factors for this behavior may be guilt, embarrassment, fear of the suspect, fear of the legal system motivated by misinformation provided by the suspect, loyalty to the suspect, pressure by others to remain silent, fear they are culpable for the activity, etc. This especially holds true for the majority of young male victims.

### DISCLOSURE OF INCIDENT

On the morning of December 13<sup>th</sup>, 2006, I received a memo addressed to me via the Office of Ethical Standards from Lt. Christine Orrey. In her memo, Lt. Orrey advised me she had been contacted by two male adults while she and Chief Lowe were attending the Hayward City Council Meeting last night. The subjects, [REDACTED] and [REDACTED], told Lt. Orrey they remembered her from the Gay Prom and felt comfortable disclosing the information they had to her.

In essence, [REDACTED] and [REDACTED], who are a couple, told Lt. Orrey their nephew had been secretly dating the "Suspect" who is currently a Hayward Police Officer and had even purchased methamphetamine from him. [REDACTED] and [REDACTED] appeared to know many intimate details about the Suspect and said their nephew, who shall be referred to as Victim#1 or V1, was a juvenile when the sexual affair had started. The pair also said they had witnessed the Suspect Officer and [REDACTED] as a couple when they came over to their home. [REDACTED] & [REDACTED] also said the reason they are disclosing this secret is they feel that the Suspect Officer is

- Such persons rarely, if ever, dispose of their sexually explicit materials, especially when they have taken the photographs or made the videos tapes in question. These materials are treated as prized possessions and can be are commonly saved for many years.
- Most of these subjects prefer contact with minors of one sex, with a specific interest in a certain age or development range.
- These persons engage in activities or programs, which will be of interest to the type of victims they desire to attract. "Fashion Photography" involving minor children is one common activity preying upon the common desire among under-aged children to become fashion models. Persons who engage in this particular method of exploitation usually use and possess a wide variety of photographic equipment to assist in the deception. Such equipment commonly includes conventional still cameras, "Polaroid" brand cameras, video cameras, video recorders, lenses, tripods, stands, backdrops, exposed and unexposed film, video recordings and blank video tape, or video cassettes, film projection equipment, screens, viewers, slides, negatives, and photograph processing equipment.
- Such persons go to great lengths to conceal and to protect their collections of illicit materials from discovery, theft and damage. This includes use of locked storage facilities, which may often be located apart from the residence.
- These people use sexually explicit materials, including those listed above for lowering the inhibitions of children, sexually stimulating children and themselves, and for demonstrating activity with children.
- These people often correspond or meet with one another to share information and identities of their victims as a means of gaining status, trust, acceptance and psychological support. This correspondence will often contain the identities of previously unknown victims and suspect. Frequently, these documents are concealed along with their child pornography.
- Often these people will cut pictures of children out of magazines, newspapers, books and other publications, which they use as a means of fantasy relationships. These "cutouts" help to identify the investigated person's targeted age range and gender of their victims.
- These people often collect, read, copy or maintain names, addresses, phone numbers or lists of persons who have similar sexual interests. These may have been collected by personal contact or through advertisements in various publications.
- These contacts are maintained as a means of personal referral, exchange and commercial profit. These names may be maintained in the original publication, in the phone or notebooks, or merely on scraps of paper.
- The maintenance of diaries relating to sexual encounters by these persons with children is not uncommon. These accounts of their sexual experience are used as a means of reliving the encounter when these persons have no children to molest. Such diaries might consist of notebooks, scraps of paper, formal diaries or computer entries in a home computer.
- The use of home computers is very common. It is known that the computer database will usually be encrypted. It takes an encryption expert to effectively decode the encryption which may take several weeks of diagnostic testing to successfully break the code to gain access to the information. To attempt to do this at the location of the computer would lead to an undue interference with the place to be searched and would represent an undue interference with my other assigned duties. For this reason, such items must be examined at locations conducive to criminal examinations, i.e., police department, crime lab etc. Further such examinations often times require that the seized computer/system be held for periods of 120 days.
- These persons attempt to reduce the risk of discovery by maintaining their own photo developing equipment. This includes the use of modern state of the art instant development equipment, such as Polaroid, video recorders, etc. In addition, they will patronize larger volume development labs or developing labs that deal strictly in hard-core adult pornographic material to avoid detection.
- These persons will maintain name, addresses, phone numbers of victims, victims friends or victims of other child molesters, athletic rosters and school rosters in the same manner as described above.
- These persons often collect and maintain photographs of children they are or have been involved with. These photographs may depict children fully clothed; in various stages of undressing or totally nude or various activities not necessarily sexually explicit in nature.
- These persons use photographs as described above, as a means of reliving fantasies or actual encounters with the depicted children. These persons also utilize the photographs as keepsakes and a means of gaining acceptance, status, trust, and

a "meth using Chicken Hawk" who makes the gay officers look bad by hiding in the closet and using drugs behind his wife's back.

On December 15<sup>th</sup>, 2006, Lt. Licata and I met with [REDACTED] and [REDACTED] at an off site location in Union City. The pair again told us they were aware of this secret relationship and said they believed it had began when V1 was only 16 years old. [REDACTED] said he even came upon the pair behind the "Arnie's Time Out" and caught V1 performing oral sex on the Suspect Officer while he was in uniform. [REDACTED] said this was not unusual for V1 to meet up with the Suspect Officer while the Suspect Officer was on duty and said V1 often "bragged" about it to them. [REDACTED] said he was up until recently a volunteer with a local gay youth group and was very disturbed to hear the male juveniles talk about "Officer Suspect". He said the rumor was if you needed a "loan" or "drugs" you could call him for help, of course in exchange for a sexual favor.

After speaking with the pair, this information was passed on to Captain Palermi who then assigned Sergeant Lundgren to work on these allegations full time. The following is an account of what Sergeant Lundgren discovered in his investigation. It will also describe how I came back into the investigation to assist Sergeant Lundgren as soon as we located V1:

On December 28<sup>th</sup>, 2006, while on-duty as a Hayward Police Department Sergeant and assigned to the Community Policing Division, Sgt. Lundgren met with both (W) [REDACTED] and (W) [REDACTED]. Community Policing Division Commander Palermi asked that Sgt. Lundgren meet and interview both witnesses regarding statements that they had made about the Susepct Officer being involved in a sexual relationship with an underage minor.

Sgt. Lundgren met with both [REDACTED] and [REDACTED] who informed me that they are in a relationship together and have been for many years. Both witnesses stated that they have lived at the same address for several years and that (W) [REDACTED] and her son, V1, used to live next door to them several years ago.

Both [REDACTED] and [REDACTED] related that they still have regular contact with both (W) [REDACTED] and the V1 even though (W) [REDACTED] has moved a few blocks away and V1 now resides in [REDACTED], California.

Both [REDACTED] and [REDACTED] told me that they have now decided to come forward with information that the victim had provided them over the last several years regarding his relationship with the Suspect Officer. Both [REDACTED] and [REDACTED] told me that the V1 has told them several times in the past that when he was 16 years old he was arrested by the Suspect Officer while he was on-duty as a Hayward Police Officer and that shortly afterwards they began to have sexual relations. Sgt. Lundgren asked both [REDACTED] and [REDACTED] specifically if the V1 had ever told them what type of sex he had with the Suspect Officer and what his age was when these sex acts occurred. Both [REDACTED] and [REDACTED] stated that V1 told them on more than one occasion that he had had both oral sex and anal sex with V1 and that hc was 16 or 17 years old when it began.

Both [REDACTED] and [REDACTED] told me that they both met the Suspect Officer through the victim when the victim was approximately 17 years old. They stated the Suspect Officer would frequently visit V1 at his residence. Both [REDACTED] and [REDACTED] told me that through the years after the V1 turned 18 years old, both V1 and the Suspect Officer would frequently arrive together and visit with them at their residence.

(W) [REDACTED] told me that approximately 8 or 9 years ago when V1 was approximately 17-18 years old, (W) [REDACTED] was with the victim in the parking lot behind "Arnie's Time Out" located at 29308 Mission Blvd. (W) [REDACTED] stated that he saw the Suspect Officer also in the parking lot seated alone in the driver's seat of a marked Hayward Police vehicle. (W) [REDACTED] stated V1 met with the Suspect Officer. After a short period, (W) [REDACTED] stated that he walked over to where they were at to see how much longer the victim was going to be.

(W) [REDACTED] told me that when he got near their vehicles, he saw V1 performing oral copulation on the Suspect Officer.

Both witnesses provided me with an address in [REDACTED] of a [REDACTED] where V1 is now residing [REDACTED]. In checking his records, I found V1 is currently 26 years old and was born on [REDACTED]. [REDACTED]

On March 26<sup>th</sup>, 2007, Sgt. Lundgren, Detective Edens and I met with V1 at his current residence in [REDACTED]. The interview was tape recorded with my digital recorder. Sgt. Lundgren explained to V1 we wanted to speak with him regarding his relationship with the Suspect Officer. V1 immediately told me that the Suspect Officer had told him in the past that if he said anything, he would come after him. V1 appeared genuinely frightened that if he told the truth the Suspect Officer, would harm him. Sgt. Lundgren explained to V1 that he needed to know the truth and that it was our intention that we would not let the Suspect Officer cause him any harm. V1 then agreed to cooperate and insured us that he would only tell me what he could remember and what he knew was factual. He also said he wanted to bee cooperative [REDACTED] was to tell the truth and deal with things that have happened to him in the past. V1 did not ask for any favors or special treatment in regards [REDACTED]. V1 was also shown a photograph of Hayward Police Department photograph of the Suspect Officer and positively identified him as the person he knows as Officer "Suspect".

V1 stated that he first met the Suspect Officer when the Suspect Officer pulled him over in his police car while he was driving his mother's station wagon near Treeview School. V1 stated that he had marijuana on his person so the Suspect Officer took him home to his mother's apartment on [REDACTED] and released him to his mother. V1 stated that the Suspect Officer pulled him over again a few weeks later while he was on-duty and again let him go without a citation or arrest. V1 said on both occasions, he gave his true DOB of [REDACTED] and said there was no way the Suspect Officer did not know he was 16 years of age.

V1 related that approximately a month later, the Suspect Officer found him on an Internet chat room. V1 then stated he had told the Suspect Officer his aunt [REDACTED] was a [REDACTED] Police Dispatcher and while on-line in a gay chat room, he started speaking with another person about police officers. V1 stated the other person in the chat room told him that he was a police officer but would not tell him what city he worked in. V1 related the other person wanted to "hook up" and they agreed to meet on a certain day at his apartment on [REDACTED] in Hayward. V1 stated the Suspect Officer arrived at his apartment on the day in question and was driving his police vehicle and was in uniform. V1 stated this was the first time he realized that the person he was speaking with on-line was the same Hayward Police Officer who had detained him twice. V1 stated when the Suspect Officer entered his apartment, he performed oral sex on the Suspect Officer and the Suspect Officer inserted his penis into V1's anus. V1 also stated the Suspect Officer watched him as he "snorted" a line of methamphetamine and he also allowed him to play with his department issued firearm. V1 also explained that the Suspect Officer preferred to play the role of the "top" and he was the "bottom" during their relationship. He further explained that if they had anal intercourse, it was usually the Suspect Officer's penis that penetrated his anus and if there was oral sex, V1 would do the performing on the Suspect Officer's penis.

Sgt. Lundgren asked V1 how old he was when this incident occurred and V1 stated that he believes that he was only 17 years old because he did not have a vehicle. V1 said he clearly remembers getting his 1<sup>st</sup> car on his Eighteenth Birthday as a gift which would have been in [REDACTED] 1998.

V1 stated that he lived with his mother at the [REDACTED] when he was 16 years old but shortly before turning 17 years old, they moved to the apartment on [REDACTED]. V1 stated that shortly afterwards his mother moved out of the apartment and left him on his own because he was using drugs. V1 stated that he did not have a car when he was 17 years old so this is why he could not meet the Suspect Officer some place else and the Suspect Officer had to come over to his apartment. In essence, V1 believes the incident occurred between July 1997 and November 1997.

V1 told us that there was another time he specifically remembers that he was 17 years old when he engaged in a sexual act with the Suspect Officer. V1 stated the Suspect Officer called him and wanted him to meet him on Whipple Road in Hayward. V1 stated that he knows he was only 17 years old at the time because he remembers that he had to borrow his mother's station wagon to meet the Suspect Officer. V1 stated that when he arrived, the Suspect Officer was again in his police vehicle and in uniform. V1 stated the Suspect Officer instructed him to follow him behind some warehouses where they both parked. V1 stated the Suspect Officer had his police canine "Dingo" with him at the time. V1 related that it was dark outside and they both got out of their vehicles and he again orally copulated the Suspect Officer while the Suspect Officer stood against the warehouse building. V1 described in detail the location where this occurred and would later drive with us to this location which we identified as 1001 Whipple Road, Hayward. V1 said this incident happened after the above incident and believes it would have happened between August 1997 and January 1998.

V1 stated over the next 7 to 8 years he met with the Suspect Officer numerous times where they engaged in sexual acts. V1 stated that most of the time the Suspect Officer was on-duty but there were a few times when he was off-duty. V1 related that he was over 18 years old at this time and could only remember specifically the two described incidents when he was under 18 years old and they engaged in sexual acts.

V1 stated that after he was 18 years old, he took another juvenile male who he believed was 16 or 17 years old at the time to the Suspect Officer's home in [REDACTED] Ca. V1 identified this person as "Victim #2" and believes his last name was similar to [REDACTED]. V1 boasted he had been to the Suspect Officer's home on many occasions when his wife was at work and described it as a big 2 story home with a swimming pool and a dog run. V1 said he knew you took [REDACTED] then made a few turns into a [REDACTED]. Using Google Maps, V1 pointed out the route and identified [REDACTED] as the location. This location also matched department records for the Suspect Officer's home. In addition, Sgt. Lundgren later drove by the home and said it appeared to match V1's description.

V1 related the Suspect Officer also had picked up another boy who V1 believes was no more than 17 years old because the Suspect Officer had told him that when he met him online. V1 stated the Suspect Officer picked the boy up somewhere in [REDACTED] Ca. V1 stated that when they all arrived at the Suspect Officer's house, the Suspect Officer gave him money so he could buy methamphetamine from a guy named [REDACTED] who lived in [REDACTED]. V1 stated when he returned to the Suspect Officer's home, he smoked methamphetamine with the two other boys but the Suspect Officer did not smoke any methamphetamine. V1 also related that he saw (S) Cristofani having anal sex with the boy from [REDACTED] and believes that the Suspect Officer tried to have sex with Victim #2 (V2) but V2 got "wigged out." V1 stated that V2 left the residence and drove back home to [REDACTED] in V1's car. V1 said the Suspect Officer then drove him and the boy from [REDACTED] to [REDACTED] where he dropped them off at an apartment on [REDACTED]. V1 stated that the apartment belonged to a lady named [REDACTED]. V1 also believes the Suspect Officer took the boy from [REDACTED] to back home the following day.

[REDACTED]

V1 provided me with a detailed description of the Suspect Officer's residence in [REDACTED] and also the type of vehicles he drives. V1 also stated he is aware the Suspect Officer is married and has a young daughter. V1 further stated he has been to the residence on at least four occasions and related that he has a gun safe with several guns and a home computer system. V1 told me the Suspect Officer has shown him several photos of boys that he had stored on his home computer. V1 stated that many of the photographs appeared to be of males under the age of 18 years and some as young as 14 years old. V1 stated a majority of the pictures were of boys who were nude in the photos and V1 saw that some of the nude boys depicted were engaged in sexual acts with other males. V1 stated he was last at the Suspect Officer's residence in [REDACTED] when he saw these photographs approximately 4 years ago although they have never lost contact either in person or by email. V1 said the Suspect Officer has sent him pictures of "hotties" via email or via Gay.com.

V1 stated during the month of July 2006, the Suspect Officer called him and asked him to bring him a gram of crystal methamphetamine. V1 stated prior to this occasion the Suspect Officer had given him money to buy drugs, but that he had never seen (S) use or possess narcotics. V1 related he did not know why the (S) wanted the methamphetamine. V1 stated that he was with his partner (W) [REDACTED] when they met the (S) at the gas station behind the "Casa Blanca" motel on Foothill Blvd, in Hayward. V1 stated he gave the (S) a gram of crystal methamphetamine in exchange for \$40.00 dollars. V1 stated that this was the first time that (W) [REDACTED] had ever met the Suspect Officer and thought it was funny when [REDACTED] freaked out because his "customer" was a uniformed officer.

V1 stated that throughout his relationship with the (S), he had borrowed money from him on several occasions. V1 related that the (S) helped him pay his cellular bill one time and also helped him pay his rent at times. V1 related during the month of August 2006, the (S) had been consistently asking him to pay back the money he owed him. V1 stated at the time he was staying with (W) [REDACTED] who lived in [REDACTED] California. V1 related he was aware (W) [REDACTED] was writing bad checks at the time on his ex-wife's business account and decided to pay back the (S) with one of the checks. V1 related he met with the (S) in [REDACTED] and gave him one of the checks for approximately \$300.00 dollars. V1 stated that he believed this particular check was a good check and would not have given it to the (S) if he knew there would be a problem cashing it. V1 stated that a couple of days later, the (S) called him and stated that he was being detained by the Tracy Police Department at a Well Fargo bank because the check was not good. The date of this occurrence was August 21st, 2006.

V1 further stated approximately two days later, on 08-23-2006, the (S) called him again and stated that he was almost arrested by Tracy PD. V1 stated that the (S) told him that Tracy PD wanted to talk to him and provided him with their telephone number. V1 stated the (S) told him that he spoke with Tracy PD and/or Hayward Police Department Internal Affairs Unit he was to tell them that he met the (S) when he was detained many years ago and was suppose to provide information about other suspects but never did. The (S) further told V1 he was to tell them that throughout the years V1 had borrowed money from him and this check was payment for the money he had borrowed. V1 related that the (S) told him specifically not to tell anyone about the "sex" part of their relationship. V1 further stated that during this telephone conversation, the (S) threatened him. I asked V1 if he could remember specifically what the (S) had said to him. V1 stated that the (S) told him that he would find him and he would shoot him if he turned him in to Tracy PD or Internal Affairs. V1 stated he fearful of the threat and believes the (S) has the means to carry out the threat since he is a police officer and possesses numerous firearms and is a trained range master.

V1 stated he has only seen the (S) once since the fictitious check was discovered and that was when the (S) pulled him over on "A" Street near Main Street approximately 4-5 months ago. V1 stated they spoke briefly and then departed ways. V1 related he has spoken to the (S) a few times via instant messaging on the Internet since then but not in the last two months.

V1 stated his friends or "adopted gay uncles" (W) [REDACTED] & (W) [REDACTED] are also aware that he was dating the (S) and have seen him with the (S) on many occasions. At the time of the interview, V1 was unaware that I had already spoken with them.

V1 stated the (S)'s E-mail address is [REDACTED]@aol.com and his screen name on AOL instant messaging and on Gay.Com is [REDACTED]. V1 related the (S) utilizes E-mail and instant messaging to communicate with him and also to communicate with other boys he is trying to meet.

V1 was later able to access his e-mail account and printed out two different e-mails that he had received and saved from [REDACTED]@aol.com. The first e-mail was dated February 2<sup>nd</sup>, 2006 and stated:

"Hey there. How ya doing? How is Sac, you still like it? I was wondering when you were coming down to see me or when I can come up there to see you. Soon I hope. Also you have my money together yet? I can get it from you when I see you. Let me know what works so I can see you. (suspect's name)"

The second e-mail was dated February 14<sup>th</sup>, 2006 and stated:

"I tried calling you back last night. I got through the first time then either got disconnected or you hung up just after you answered it. I called back then got a recording that said you did not take calls from blocked numbers even though you had just gotten one. So I tried again with unblocking my number and yet I got the same message. Then I called from work which is not blocked to begin with and again the same message. So not sure what's up, but I called back. (suspect's name)"

V1 stated he would be willing to access a computer on my behalf in an attempt to find and make contact with the (S). V1 further stated he would also be willing to wear a body wire and meet with the (S) for the purpose of discussing details of the events that he had just described to us.

On March 27<sup>th</sup>, 2007, Sgt. Lundgren, Detective Edens, and I again met with V1. Sgt. Lundgren directed V1 to attempt to contact the (S) for the purpose of meeting with him to discuss the Tracy Police Department's investigation of the fictitious check. V1 telephoned the Hayward Police Department and left a message for the (S) with his cellular telephone number. I also provided V1 with a digital recorder for the purpose of recording the telephone call between him and the (S). Sgt. Lundgren, Detective Edens and I were all present during all telephone conversations between the victim and (S) Cristofani.

At approximately 1530 hours, V1 received an incoming call from a blocked number. V1 answered the call and the person immediately identified himself as "(suspect's first name)" and asked V1 what he wanted. I also immediately recognized the voice on the call as the (S). V1 told the (S) Tracy PD had called him and wanted to meet with him in the next couple of days. The (S) told the victim that he did not need to meet with them since his part of it was done and he had already gotten into trouble. The (S) further stated to V1 that he should be careful if he does meet with TPD and also stated, "If you do meet with them, don't fucking give them anything else."

V1 asked the (S) if he could meet with him when he arrived in Hayward and the (S) told him to try calling him when he gets to Hayward. V1 asked the (S) for his cell number and the (S) initially gave him [REDACTED], then stated, "No, No, No, don't use that number. Fuck. Call me at [REDACTED]" V1 then asked the (S) to call him back with the number unblocked so that he stored the number. The (S) agreed and immediately called back with a caller ID of [REDACTED]

At approximately 1910 hours, after V1 had left a message on the (S)'s cellular telephone that he was now in Hayward and wanted to meet, the (S) called back and told V1 to meet him in twenty minutes at Southland

Mall behind the "Olive Garden" Restaurant. Sgt. Lundgren then provided and fitted V1 with a body wire that he concealed on his person and directed him to the listed location. Sgt. Lundgren watched the victim park his vehicle in the parking lot behind the listed restaurant and took a position where he could clearly see V1 without any visual obstruction. Detective Edens and I were doubled together and also took a position near V1 where we could record the body wire transmissions between V1 and the (S).

At approximately 1945 hours, I saw the (S) arrive in a marked Hayward Police vehicle and watched as he parked in the parking stall adjacent to V1's vehicle. The driver's side of the (S)'s patrol car was adjacent to the driver's side of V1's vehicle.

The following is a summary of the key points of their recorded conversation: V1 told the (S) he had told (W) [REDACTED] that he was dating a cop and that [REDACTED] was now in-custody and that Tracy PD is again asking questions about how the victim knows the (S). The (S) asked V1 if he told (W) [REDACTED] what Police Department the cop worked for that he was dating and V1 told him that he had not. The (S) then told V1, "If nobody can get a hold of you, if nobody can talk to you, if nobody can find you, then this is going nowhere." The (S) also stated, "They can tell when you are lying. They are very good at this." V1 then asked the (S) if he needed to do another vanishing act and the (S) stated, "Yeah."

V1 then asked the (S) for an apology for the threat he made to him during the last telephone conversation. The (S) asked V1 what he was talking about and V1 stated, "When you told me that if I said anything, you were going to get me." The (S) immediately stated, "It doesn't sound like its over, sounds like its fucking rearing its ugly head again. I could see my Lieutenant telling me that I am the subject of another internal investigation. That I lied to the department." V1 again asked the (S) for an apology and told the (S) his exact words to him were, "If I fucked up your life you would shoot me." The (S) stated, "I don't remember what I said, and I don't think you would do anything on purpose so I am sorry for implying that, however, I can't have my life fucked up. They can't take my gun nine years from retiring."

The (S) told the victim, "Don't help them out. Tell them you can't give them anymore information." V1 then tells the (S) he has a new friend that he thinks is 17 years old and is into older guys. V1 offers the (S) that he could use some assistance and asks the (S) if he wants to meet his friend. The (S) stated that he is not sure but does not want him coming to his house. V1 then offers to get a motel room and ask the (S) if he is still on-line. The (S) stated that he is a little and confirms that he is on-line as [REDACTED].

The (S) then ends the conversation by asking V1 what his plans are regarding Tracy PD. V1 then asks the (S) again if he wants him to disappear and not talk to Tracy PD. The (S) replies, "Yeah." The (S) then asks V1 to contact him on his cellular telephone. I then saw the (S) drive away from V1.

On March 28<sup>th</sup>, 2007, I obtained a court order signed by the Honorable Judge Saunders of the Hayward Superior Court. The court order was directed to America Online, (AOL), and asked for subscriber information for email account [REDACTED]@aol.com. The order was for subscriber name and address, types of services utilized, email addresses, IP addresses, length of service, and means of payment to include credit card and bank account numbers. I then faxed the court order to America Online and requested the return via fax.

On March 29<sup>th</sup>, 2007, Sgt. Lundgren, Detective Edens and I met with the victim at an undisclosed location in [REDACTED]. V1 had explained to us that the (S) regularly chats on the Internet and has done so with him regularly in the past. V1 stated that the (S) confirmed during the meeting at Southland Mall that he is still utilizing the screen name [REDACTED]

Using a wireless laptop computer that we provided him, V1 logged onto "AIM" (America Online Instant Message) as [REDACTED] f and pulled up his "friends" list. V1 scrolled down his list and identified

[REDACTED] as (suspect's full name). The list showed that [REDACTED] currently offline so V1 placed a call to him asking him if he would be online sometime today.

During that phone call, which was recorded, the (S) stated he was running some errands but would be logging on when he returned home in the next hour or so. V1 then set up his account to chime as soon as [REDACTED] was online.

Approximately 45 minutes later, at 1321 hrs, V1's AIM chimed and alerted us the (S) had logged on as [REDACTED]. Prior to their chat, I thoroughly explained to V1 to chat with the (S) as he normally would. We also explained to V1 he could not make any promises or imply any threats to the (S).

The following are excerpts from the chat between V1 and the (S). During their face to face meeting two days before, V1 said he had a 16 year old friend and which the (S) said he was interested in meeting. In this excerpt, V1 asks if he is still willing to meet a 16 year old friend of his:

At the conclusion of our conversations with the (S) as [REDACTED] and as [REDACTED] there were several indicators that the (S) was the person chatting with both the victim and I:

1. [REDACTED] provides a detailed description of what the victim was wearing the night of their face to face meeting in which only the (S) would know of.
2. During the initial chat with the victim, [REDACTED] suddenly logs off during a conversation without any notice. The victim calls the (S) on his cell phone and asks him what happened. The (S) explains that his dial up Internet connection shut down and he had to log back onto the Internet. This call was also recorded and after listening to it, myself, Sgt. Lundgren and Detective Edens all identified the voice as the (S).
3. Prior to the Internet chats, V1 had disclosed certain events involving he and the (S). These events occurred when V1 was a minor and only the (S) would have knowledge of these events. In their chat session, (S) Cristofani not only brings up one of those events but names the 2<sup>nd</sup> Victim by name.
4. The (S) also refers to his Administrative Investigation with HPD which is something only he would have specific knowledge about.

On March 30<sup>th</sup>, 2007, I received a fax from America Online in reference to the court order that Inspector Luevano obtained regarding email account [REDACTED]@aol.com. The America Online fax related that the subscriber for the listed email account was the (S) and listed his address as [REDACTED], California, [REDACTED]. The AOL information was the (S)'s account was active and that the bill is paid by the (S) with a credit card issued to him. The information further stated that there were three screen names assigned to the account. They include [REDACTED]

On April 2<sup>nd</sup>, 2007, I received a telephone call from V1. He explained to me that he wanted to clarify some information that he had previous provided me in his recorded statement. V1 stated that he had just recently had a conversation with his mother (W) [REDACTED] regarding her first encounter with the (S), the addresses they were living at when he was 16 years old through 18 years, and his 18<sup>th</sup> birthday party. V1 told me that after talking with his mother it refreshed his memory regarding certain events during those years and he now had a clearer memory of specific events regarding the (S).

V1 stated he was detained by the (S) and brought home to his mother when he was about 17 years old. V1 stated he is not sure if it was right before he turned seventeen or just after ( February 1997 or April 1997). V1 stated during the encounter with the (S), the (S) obtained his home telephone number. V1 stated that a few weeks later, the (S) called him at his house and asked him to meet him behind the "Arnie's Timeout" bar on Mission Blvd. in Hayward. V1 stated he drove his mother's car to the listed location and saw the (S) in his patrol vehicle. V1 stated that after they talked for awhile, he agreed to perform oral sex on the (S). V1 stated he saw in the back seat of his mother's vehicle with the door open while the (S) stood outside the vehicle. V1 stated that he then orally copulated the (S).

V1 stated the second event he specifically remembers when he was seventeen years old was the event that he had previously told me where he met the (S) behind the address at 1001 Whipple Road and again orally copulated him while they stood outside of their vehicles.

V1 told me that some time after this event, he now remembers that he was arrested and sent to Juvenile Hall. V1 related that while in custody at juvenile hall his eighteenth birthday past. V1 stated that shortly after his eighteenth birthday, he was released from juvenile hall. Per his arrest records, I found that V1 had been arrested on March 5<sup>th</sup> 1997. After advising him of this specific date, he said the meet on Whipple Road must have been between November 1996 and March 1997 which would have made V1 16 years of age not 17 years of age.

V1 told me that he began having a sexual relationship with the (S) when he was 17 years old and specifically remembers the two described events before turning 18. V1 stated that he stopped having a sexual relationship with the (S) when he was 23 years old. V1 stated that during that five year span, he estimates that he had sex with the (S) at least 15 times while the (S) was on duty to include the two described events when he was 17 years old. V1 stated he engaged in sex with the (S) while he was off-duty approximately three or four times and that he was at least 18 years old during these encounters. However, V1 told me that during this five year span, he met with the (S) at least once a week while the (S) was working so that they could talk or get something to eat together. V1 stated is due to the extended time that has past since his first encounters with the (S) and the sheer numbers of meetings with the (S) since then that initially caused him to confuse some of facts in his original statement.

On April 2<sup>nd</sup>, 2007, at approximately 1915 hours, Detective Edens and I made contact with Victim #2 at his mother's residence. It should be noted that victim #2 is the same person that both the first victim spoke of when he stated that he drove a 16 year old male juvenile to the (S) residence in [REDACTED]. The (S) also mentioned victim #2 by name to the first victim when they were talking on the instant message AOL account.

V#2 is currently 23 years old and his DOB is [REDACTED]

[REDACTED] #2 said he just wanted to know why the Suspect did this to him, confusing his sexual identity.

In summary, before she could explain to victim #2 the reason for her contact, he spontaneously asked them if they were there to speak with him about "Jeff?" Victim #2 told me that he has not seen or spoken to victim #1 in over two years, however related that when he was approximately 16 years old, victim #1 drove him to an older man's house in [REDACTED]. Victim #2 stated that the purpose of going to this person's house was to "party." Victim #2 related that he met the (S) for the first time when he arrived at his house and it was at this time that he discovered that the (S) was a Hayward Police Officer.

I showed victim #2 a photo line-up consisting of six Hayward police officers' photographs and victim #2 immediately identified photograph #2 of the (S) as the police officer who's house victim #1 took him to in [REDACTED] and who also identified himself as (Suspect's first name).

Victim #2 stated that the (S) provided him and victim #1 with shots of vodka and after a while the (S) went on-line on his home computer and showed them several photographs of under aged males. Victim #2 related that he also showed them a photograph of a blond hair, blue eyed, male juvenile who the (S) stated they were going to pick up in [REDACTED], Ca. and bring back to his house to party with. Victim #2 stated that they got into the (S)'s [REDACTED] truck and drove to [REDACTED] where they picked him the boy in the photograph the (S) had shown them earlier.

Victim # 2 related that when they all returned back to the (S)'s home, they all drank some more vodka and eventually all ended upstairs in the master bedroom. Victim #2 stated that the (S) put on a video of a guy on guy pornographic movie and all four of them laid down together on the master bed. Victim #2 stated that the (S) then orally copulated him while they were together on the bed. Victim #2 stated that at the time, he was

just starting to experiment with his sexually so he was confused and also "freaked out" by the fact that the (S) was a police officer. Victim #2 stated that he refused to continue and asked victim #1 if he could drive his vehicle back to [REDACTED]. Victim #2 stated that he drove victim #1's [REDACTED] back to [REDACTED] and has not seen or spoken to the (S) since. Victim #2 stated that he has seen victim #1 several times since the described incident but they have never really talked about it. I also recorded this interview.

I know from training and experience that persons who are involved in Child Exploitation/Molestation often conceal the evidence of doing so in their residences in secure/private locations to avoid detection by the police. I also know that individuals will often attempt to conceal communications with said minors via the Internet and will often use profiles with false information as a way to avoid detection to their true identities. I also know they most always keep all photographs, mementoes, letters, notes, and logs as trophies and never throw them away.

I also believe the Suspect Officer's threat of silencing (VI) is a credible one, which VI fears. For almost 9 years he has kept the secret of their sexual affair, as well as being witness to the (S)'s affairs with other minors. The Suspect is a highly trained Police Officer who has been living a double life and fears if it is ever exposed, he would "lose it". With the knowledge that the Suspect has several guns registered to him, I believe it is paramount for the safety of both Victims and any potential Victims who may be discovered that all firearms be confiscated for safe keeping until released by the Court.

I am asking to seek the following charges:

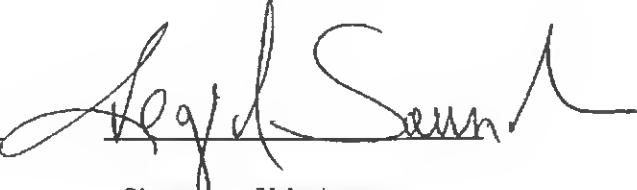

136 PC- Intimidation of a witness

288a (b)(1) PC- Oral copulation. Any person over the age of 21 years who participates in an act of oral copulation with another person who is under 18 year of age. (2 counts)

664/273a Attempted endangering of a child to include mental suffering.

[REDACTED]**NARRATIVE:**

This supplement involves a continuing criminal investigation into the allegations of child molest against (S)Jeff Cristofani. During the first Victim's disclosure, he stated there was an incident which (S)Cristofani had him bring a young friend with him to "party" at his [REDACTED] home. V1 provided us with the name of this friend, who shall be referred to as V2, and identified V2's last known residence.

On Monday, April 2nd, 2007, (W)Detective Edens and I responded to [REDACTED] in an attempt to contact V2 and or his family. Upon our arrival, we found the apartment was completely empty and had a "For Rent" posted on it. Detective Edens had printed prior HPD police reports which listed both V2 and his mother, (W)[REDACTED]. Using an online search, we located whom we believed to be [REDACTED] at [REDACTED],  
[REDACTED]

At approximately 1550 hrs, Detective Edens and I arrived at [REDACTED] located at [REDACTED]

## HAYWARD POLICE DEPARTMENT - HAYWARD, CA

[REDACTED] After confirming [REDACTED] was an employee, we were able to meet with her in a [REDACTED] state room.

[REDACTED] confirmed to us that V2 was her son and that they had been residents of [REDACTED] for approximately 6 years. [REDACTED] said her son has been struggling with his sexual identity since he was a teen and recalled him disclosing that he had been molested by an adult neighbor. [REDACTED] said she believed the Alameda County Sheriff's Department handled the case and didn't charge it after they couldn't locate the alleged pornography. She said because of this, both she and her son feel that Law Enforcement failed them. [REDACTED] said if there was another incident she was not aware of, she would like us help her son and hoped we could do something this time. She said her son has never been the same and has been struggling because of the things that happened to him. [REDACTED] then called her son and put him on the loudspeaker where I was allowed to briefly introduce myself. V2 said he would be willing to meet with us at 1930 hours at his mother's residence so we could speak to him in person. (Refer to CD-R containing digitally recorded interview with [REDACTED]).

At 1930 hrs, Detective Edens and I responded to 1182 E Street where we met with [REDACTED] and her son, V2. In summary, V2 said he was comfortable speaking in front of his mother and understood I was conducting a Criminal Investigation regarding some allegations of child molest. V2 confirmed he did have a friend named (V1) and said he believed he was about 16 years old when they met. Then, when I advised V2 that I worked for the Office of the Chief, he spontaneously said, "Jeff.....(loud sigh)...I didn't think nothing of it but he did it...he's a cop...we went to his house and he has a wife and kids ...but I left..I was just blown away about the whole thing...". After making sure he was ok, V2 continued to elaborate on his spontaneous comments.

V2 was still visibly shaken and hung his head low, as he recalled what had happened at (S)Cristofani's home in [REDACTED]. He said he and V1 met when V2 was 16 years old. He said V1 had invited him to go to the home of his friend, "Jeff", in [REDACTED]. When they got there, V2 said "Jeff" provided them with "vodka shots" and they began to drink. He said there were pictures of his wife and children on the wall and had learned they were away visiting a Grandma. V2 said they then went online and found another boy who wanted to join them. He said while online, "Jeff" also showed them other photos of nude males their age and described them as teens.

V2 said they then went in "Jeff's" truck to pick up the boy in nearby [REDACTED] and brought him back to "Jeff's house". V2 said he could not recall the boy's name but remembered he had blond hair and blue eyes and said he was also about "16" years old. V2 also described "Jeff's" truck as a [REDACTED] [REDACTED] He also said he

"Jeff" also had a [REDACTED]

After picking up the boy from [REDACTED] V2 said they began drinking again and the party continued upstairs in what V2 would describe as the Master Bedroom. V2 said there was a "guy on guy" porno tape playing as all four of them were on the bed. V2 said "Jeff" performed oral sex on him as V1 and the [REDACTED] boy were doing stuff to each other. V2 said "Jeff" used both his hands and his mouth on his penis and felt really "weird" when it was done. So much so, that V2 told V1 he wanted to leave and borrowed his car to drive back to [REDACTED] alone.

V2 said he returned to his [REDACTED] residence where he was living with his friends and their mother, [REDACTED]. V2 said he believed he was 17 years old because that's how old he was when he lived on [REDACTED]. He also said he believed the incident in [REDACTED] occurred sometime in the summer and said it was definitely at night.

V2 said he never pretended to be of legal age and claimed the subject just never came up. V2 was also shown a photo line up and he immediately identified "Jeff" as (S)Jeff Cristofani. He said he could never forget "that moustache" and believed Cristofani may have had a little more hair back then. V2 also said he didn't know "Jeff" was a Hayward Police Officer until he arrived at his [REDACTED] residence. Prior to leaving the residence, I provided V2 with a copy of a Victim/Witness form & information.(Refer to CD-R containing digital recording of V2's interviews).

The following morning, on 04/03/2007, I was advised by Detective Edens that he had located a subject matching V2's description of [REDACTED]. He said using prior HPD reports, [REDACTED] apparently lived at [REDACTED] Hayward between the dates of July 3rd, 1999 (HPD [REDACTED]) to March 24th, 2001 (HPD [REDACTED]). Using those dates, it corroborates V2's information.

#### PHYSICAL EVIDENCE:

- #1 DVD-R containing images used to make [REDACTED] web page dated 03/29/07
- #2 CD-R containing AIM/Yahoo chat with (S)Cristofani dated 03/29/2007
- #3 CD-R containing interview with V2 and (W) [REDACTED] dated 04/02/07
- #4 Photo line up containing (S)Cristofani, ID'd by V2 on 04/02/07

**Message Content:**

I tried calling you back at night. I got through the first time then either got disconnected or you hung up just after you answered it. I called back then got a recording that told you did not take calls from blocked numbers even though you had just given them. So I tried again with unblocking my number and yet I got the same message. Then I called from work which is not blocked to begin with and again the same message. So not to be where up, but I called back.

Location of Supplement: 300 West Winton Avenue, Hayward CA 94544 Type of Incident:

I am Hayward Police Department Detective Aaron Edens. In addition to my other duties I am [REDACTED] forensic examiner. I have attended 48 hours of classroom training in the topic. At the time of this report, I have conducted over 50 practice examinations of cell phones and approximately 65 evidentiary examinations.

On 5/29/2007 [REDACTED] I performed a forensic examination of the phone for [REDACTED]. The phone had previously been stored in my office. I took the phone to SEARCH: The National Consortium for Justice Information and Statistics for forensic examination because they have tools and equipment which are not, or were not, available to me at the time of the exam.

My examination started with a visual examination of the phone which appeared to be undamaged and in good condition. I removed the battery pack and removed the Subscriber Identity Module (SIM) card from the phone and placed it in a SIM card reader. I was able to extract some information from the SIM card including the International Mobile Subscriber Identity number. [REDACTED] and the phone number [REDACTED]. I also noted the last number dialed on the phone was to [REDACTED]. I made an evidentiary copy of the report and later transferred it to compact disk.

Prior to turning the phone on, I activated a cellular signal disruption device to prevent the phone from communicating with the service carrier's network. This prevented the phone from updating or erasing any information. I attempted to establish a connection with the phone handset for examination using forensic software. However, I was unable to locate a compatible cable to connect the phone to the computer. I then manually examined the phone handset and videotaped the examination.
